

INTRODUCTION

VISION AND MISSION STATEMENTS

The vision of the Triumph Public High Schools is to offer educational programs in a community-based non-traditional setting in which teachers are free to be creative and innovative and students are free to explore their full potential. The schools also envision a setting in which staff, students, parents, and the local community have a deep sense of ownership through the knowledge that they can truly be a part of the educational community.

The mission of the Triumph Public High Schools is to teach students to become respectable, responsible citizens who value their self-worth, respect others, and realize the importance of hard work and the continuation of learning throughout their lives.
