## Advanced Academics

Triumph Public High Schools dual credit course offerings are determined by board approved Memorandum of Understanding (MOU) with associated college and/or university. Each MOU has an attached course crosswalk that identifies college course and corresponding high school course. TPHS maintains dual enrollment MOU's with the following entities.

Dual credit partnerships are developed on an ongoing basis and MOUs are board approved prior to implementation of coursework.

Advanced Placement (AP) gives students the chance to tackle college-level work while they're still in high school—whether they're learning online or in the classroom. An through taking AP Exams, student can ear college credit and placement.
