PG-5.520: CRIMINAL HISTORY CHECKS FOR CONTRACTED SERVICES

SEC. 1. DEFINITIONS

“Continuing duties related to contracted services” are work duties that are performed pursuant to a contract to provide services to TPHS on a regular, repeated basis rather than infrequently or one-time only.

A “covered contract employee” is an individual who:

1. Is employed or offered employment by a service contractor or a subcontractor of a service contractor, is an individual independent contractor of TPHS, or is an individual subcontractor of a service contractor;
2. Has or will have continuing duties related to the contracted services;
3. Has or will have direct contact with students; and
4. Is not a student of (or enrolled in) TPHS.

“Direct contact with students” is the contact that results from activities that provide substantial opportunity for verbal or physical interaction with students that is not supervised by a certified educator or other professional TPHS employee. Contact with students that results from services that do not provide substantial opportunity for unsupervised interaction with a student or students, such as addressing an assembly, officiating a sports contest, or judging an extracurricular event, is not, by itself, direct contact with students. However, direct contact with students does result from any activity that provides substantial opportunity for unsupervised contact with students, which might include, without limitation, the provision of coaching, tutoring, or other services to students.

A “contracting entity” is an entity that contracts directly with TPHS to provide services to TPHS. However, when conducting an investigation or intervention regarding an alleged crime or act of child abuse on a school campus, a law enforcement agency or the Department of Family and Protective Services is not a contracting entity, and the investigator or intervener is not a covered contract employee.

A “subcontracting entity” is an entity that contracts with another entity that is not TPHS to provide services to TPHS or shared services arrangement.

Education Code 22.0834(p); 19 TAC 153.1101(2)-(3), (7), (10).

For guidelines on criminal history checks for public works contractors, please refer to PG-5.14 (Criminal History Checks for Public Works Contractors).
